WHY CHOOSE

AcadXL?

**AcadXL – Where Every Child Learns
With Care, Clarity & Confidence**

A Place Where Parents Feel Assured...
And Students Feel Understood.

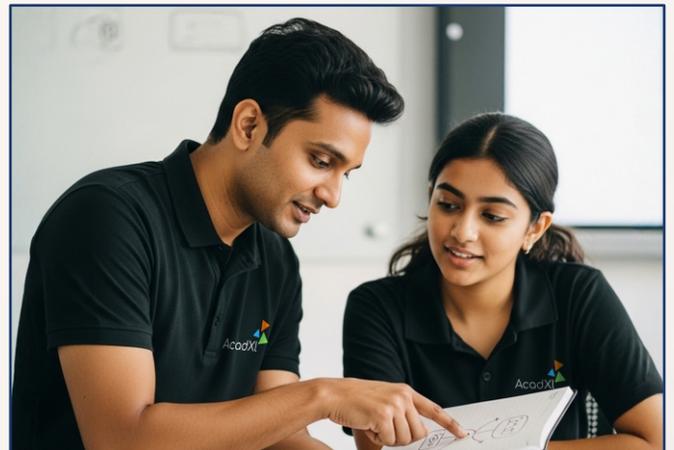

● WE START WITH UNDERSTANDING — NOT PRESSURE

At AcadXL, no child is thrown into formulas on day 1. We begin with simple definitions, real-life stories, and examples they can relate to.

Parents often tell us:

“My child has finally started enjoying learning again.” because when a child understands why something is important,

Learning becomes effortless... and beautiful.

● SMALL DAILY WINS - BIG CONFIDENCE

After each class, students solve daily practice papers (DPPs) containing 15–20 basic JEE main + advanced questions.

The goal is not to burden them...

But to help them realize, “Yes, i can do it.”

These small, consistent victories build confidence, strengthen concepts, and develop a positive study mindset day by day.

● HOMEWORK THAT SUPPORTS, NOT SCARES

Our homework system is designed like a comforting ladder:

- Basic dpp revision
- Module exercises (subjective, objective, PYQs up to 2025)
- Weekly CBT tests (same pattern as NTA uses)
- 21-day review tests
- Boards + JEE together so the child never feels confused

Parents appreciate that their child is always moving forward, but never overwhelmed.

● DOUBT-FREE CLASSROOMS — EVERY CHILD GETS HEARD

AcadXL's 90-minute class is built for comfort and clarity:

- 45 minutes: homework discussion
- 45 minutes: concept learning

Doubts are cleared in class itself — gently, patiently, humanly. For the child who hesitates to ask questions at big coachings, acadxl feels like a safe space.

2 DAYS DEMO CLASSES

CLASS - 11TH

CLASS - 12TH

CLASS - 13TH

● ONE-ON-ONE ANALYSIS — WE LISTEN TO YOUR CHILD

Every week, a teacher or hod sits with the student personally:
About studies, stress, motivation, and real concerns.

Many students share things they cannot say at home or in big batches.

We listen. We guide. We support.
Parents feel relieved knowing —
“My child is not just studying. Someone truly understands them.”

● PERFORMANCE DASHBOARD — CLARITY FOR PARENTS, CONFIDENCE FOR STUDENTS

A modern portal shows your child's progress like NTA:

- Accuracy
- Time per question
- Strong / weak areas

Parents see growth.
students see their improvements.
everybody feels assured.

● TEACHERS WHO GUIDE LIKE MENTORS, NOT LECTURERS

Teachers send personal feedback on every child:

- More advanced exercises for fast learners
- Extra care and time for those struggling

Because every child grows at a different pace...
and at AcadXL, we honour that.

INSIGHTS

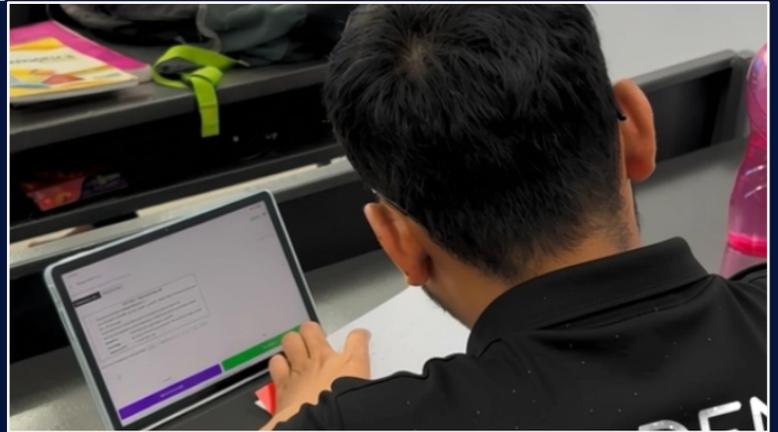

ALL TESTS IN CBT MODE

Our CBT mode tests give students a real JEE main-like experience using dedicated tablets. These tests help students practice time management, navigate digital questions, and build confidence for the actual exam. With quick scorecards and simple error analysis, students understand their mistakes and improve faster.

PERSONAL TABLET FOR STUDENTS

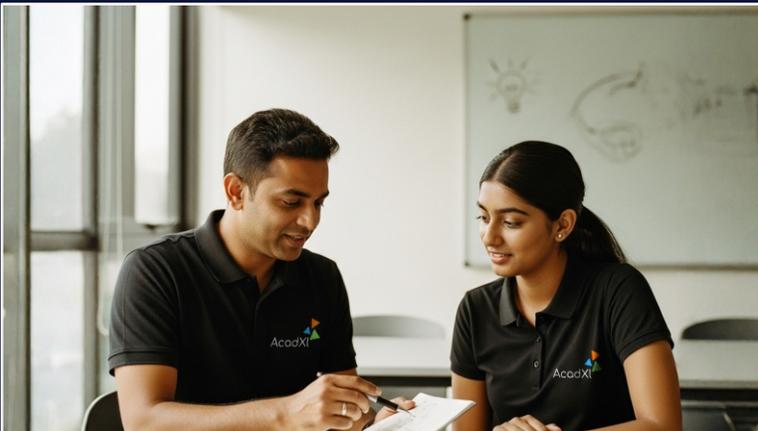

(APPLICABLE ONLY FOR OFFLINE STUDENTS)

Every offline student receives a dedicated learning tablet loaded with notes, lectures, tests, and homework — ensuring seamless, organized, and consistent study support.

PERSONAL MENTORSHIP

Every student receives individual guidance, regular check-ins, and tailored study strategies — ensuring they stay disciplined, motivated, and on the right path to their goal.

WEEKLY ANALYSIS MEETING

A dedicated weekly review where each student's progress, mistakes, and learning gaps are carefully analyzed to create a clear, improved action plan for the coming week.

Free Study Resources

Access high-quality free study material designed for both JEE and NEET aspirants. From clear concept notes to solved examples, PYQs, chapter summaries, and practice questions, every resource is created to make your preparation stronger and more structured. Whether you're revising fundamentals or targeting top-level problem-solving, this free material will support your journey step by step. Scan the code and start learning smarter — absolutely free.

JEE MAINS 2025 PYQs

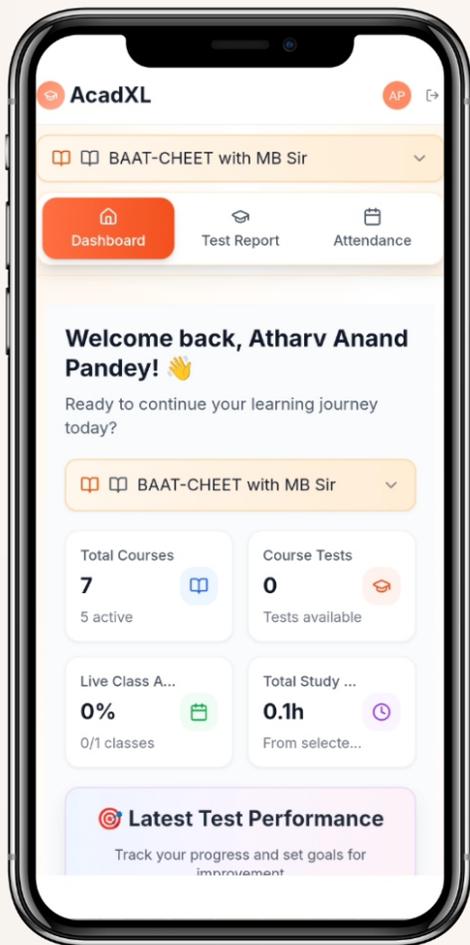

Top Kota-Style JEE coaching with expert guidance, study material, mock tests, and personalized mentoring for JEE main & advanced.

SCAN TO LEARN MORE

India's most structured NSEP preparation with expert faculty, olympiad-level concepts, and a complete pathway from NSEP to IPhO, including 2025 PYQs

PTM PORTAL

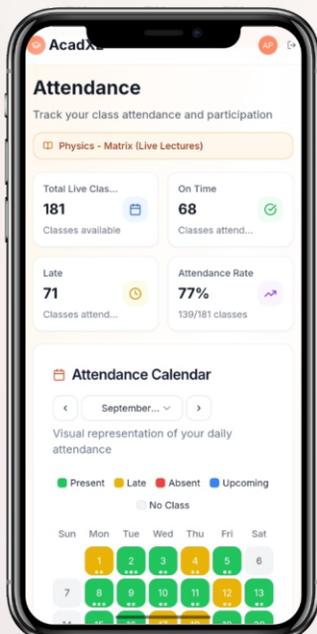

Our PTM Portal is a dedicated space where parents can stay connected with their child's academic journey. The portal provides clear insights into daily learning activities, ensuring complete transparency between teachers and parents.

SCAN TO WATCH FULL TUTORIAL

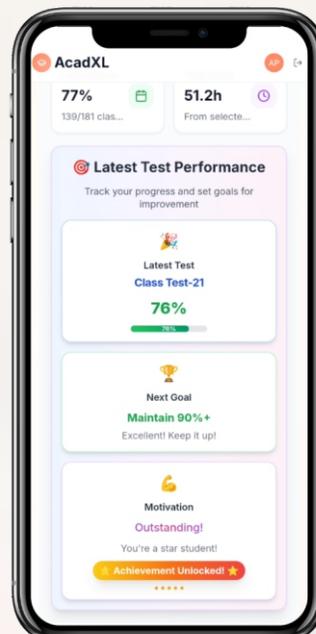

Mentors Comments

Mentors share notes, suggestions, and improvement pointers, allowing parents to stay actively involved in their child's learning path.

Smart Attendance View

Smart attendance view gives parents a clear, real-time snapshot of their child's class attendance, ensuring complete transparency and better academic tracking

Performance Summary:

Every test, assignment, and evaluation is displayed in a simple, visual format, helping parents understand growth clearly.

OFFLINE CLASSES

Our Offline Classrooms are designed to provide a distraction-free learning atmosphere with modern infrastructure, high-quality smart panels, comfortable seating, and focused lighting — everything optimized for serious preparation, dedicated tablet for each student

FEATURES

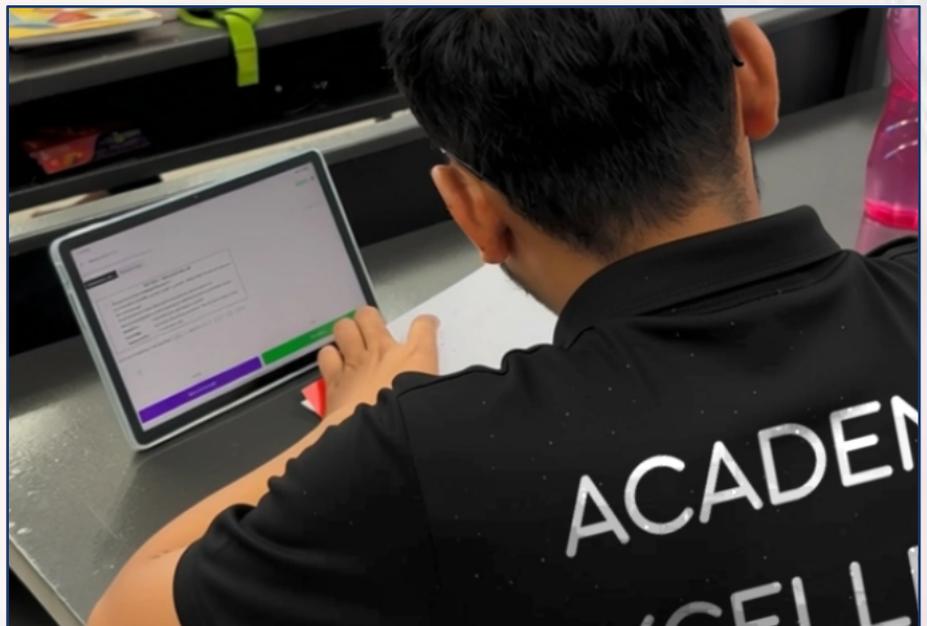

COMPACT CLASSROOM

Our compact classroom size ensures that every student receives personalized attention and a highly focused learning environment. With fewer students in each batch, teachers can track individual progress, solve doubts more effectively, and maintain strong discipline. This setup helps students stay engaged, concentrate better, and learn with greater clarity — creating the ideal atmosphere for serious JEE preparation.

DEDICATED TABLET TO EACH STUDENT

Each student uses a dedicated tablet for all Computer-Based Tests, ensuring real exam-like practice, instant result analysis, smart performance tracking, and a smooth, distraction-free test experience.

SELF-STUDY ROOM

Our Self-Study rooms offer a quiet, structured, and highly disciplined environment where students can focus deeply without distractions. With monitored silence zones, comfortable seating, and dedicated study hours, every student gets the perfect space to revise, practice, and strengthen concepts with complete concentration.

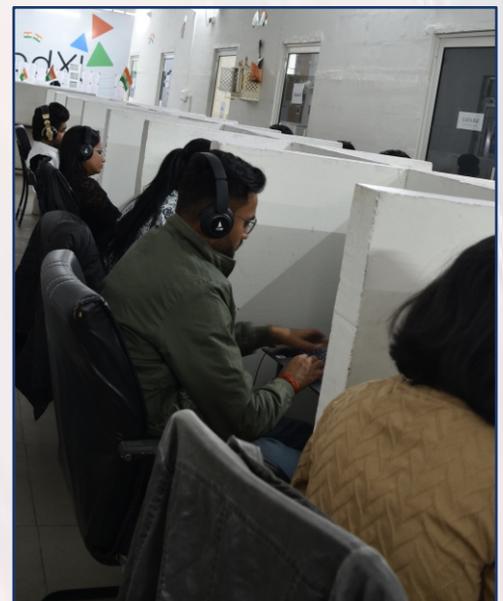

COUNSELLING ROOM & MENTORS

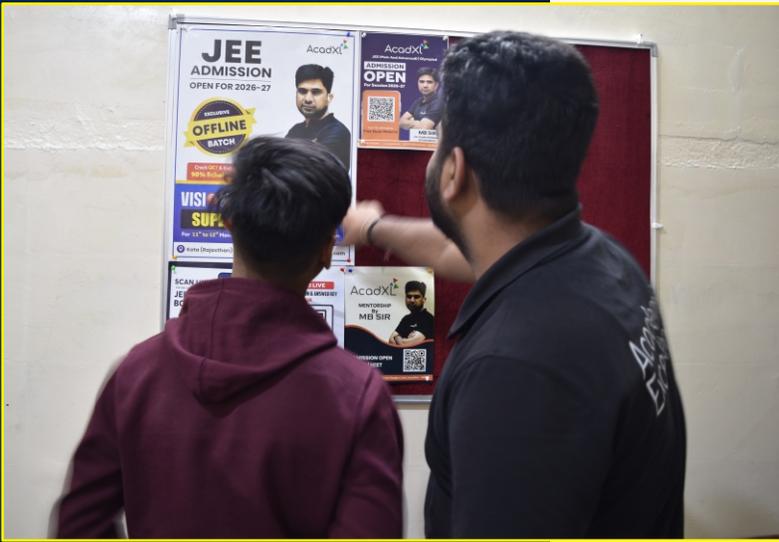

Counselling Room

Our Counselling room offers a calm, private, and supportive environment where students can share academic challenges, stress points, and personal goals. With one-on-one guidance, structured planning, and emotional support, students gain clarity, stability, and renewed focus on their preparation journey.

Mentors

Our mentors are experienced student counselors and guides who work closely with each individual to track progress, refine study strategies, and build strong consistency. They provide personalized guidance, motivation, and accountability—ensuring every student stays focused, confident, and on the right path toward their JEE goal.

COUNSELORS

Our counselors provide personalized academic and emotional support to every student. Through one-on-one sessions, they help students overcome stress, improve focus, build strong study plans, and maintain a positive mindset throughout their preparation journey.

NOTICE BOARD

Our notice board displays all important announcements, test schedules, results, academic updates, and batch information. It ensures every student stays informed, organized, and aligned with AcadXL's academic system and daily workflow.

LIBRARY

Our Library provides a well-organized collection of essential books and AcadXL study modules. It is designed solely for book and module access, ensuring students receive the right academic resources they need for their preparation.

STUDENT KIT & STUDY MATERIAL

Our student kit provides every learner with high-quality academic essentials designed for discipline, comfort, and daily productivity. Each item reflects AcadXL's commitment to premium standards and a professional learning environment.

T-SHIRT

A premium black polo t-shirt featuring the official AcadXL logo, designed to bring uniformity, discipline, and a sense of pride to every student. Made with comfortable, breathable fabric for daily use.

BAG

A durable, lightweight, and spacious student bag designed for everyday academic use. It offers organized compartments for books, modules, and digital devices, ensuring convenience and comfort throughout the day.

MODULES

Expert-curated study modules covering physics, chemistry, maths, and biology. Each module is structured in a clear, exam-oriented format to help students build concepts, practice effectively, and strengthen their fundamentals with Kota-Style precision.

ONLINE CLASSES

Our online classes bring Kota-Level education to every corner of India. Students receive the same quality of teaching, structured schedules, doubt support, and digital learning systems as our offline classroom. With live interactive classes, recorded lectures, PTM portal, and dedicated doubt-solving, AcadXL ensures that every student across India gets an equal opportunity to learn, grow, and excel.

FEATURES

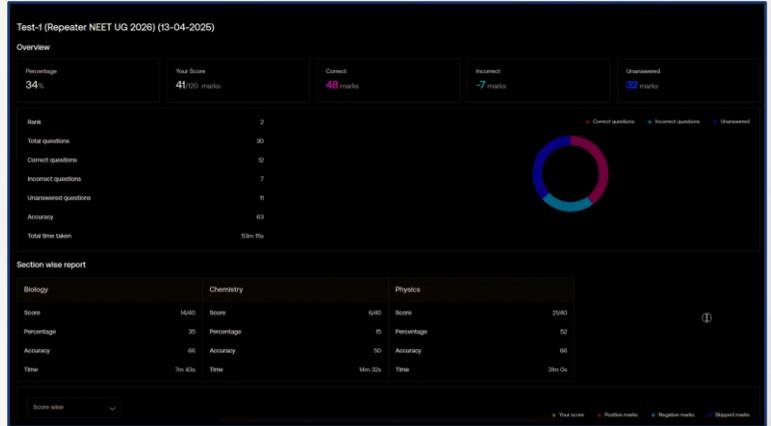

REAL LIVE CLASS EXPERIENCE

Our real live class experience delivers the same energy, interaction, and discipline as a physical classroom. Students can ask doubts in real time, participate in live discussions, engage with teachers directly, and learn through Kota-Style structured sessions. With high-quality streaming, digital whiteboards, and two-way communication, every class feels immersive, interactive, and deeply engaging — just like sitting in a real classroom.

REGULAR PTMs

Our regular PTMs ensure transparent communication between parents, students, and teachers. Through detailed performance reports, attendance tracking, and personalized feedback, parents stay consistently updated on their child's academic growth. This system helps identify strengths, improve weak areas, and maintain a disciplined, result-oriented learning journey.

MICRO ANALYSIS REPORTS

Detailed test analytics track scores, accuracy, time management, strengths, and weak areas. Regular PTMs ensure updates, personalized feedback, and focused improvement - keeping students disciplined and parents informed throughout the learning journey.

INSTANT DOUBT SOLVING

Our Hybrid Classrooms combine the best of offline discipline and online flexibility. Students attend live classes in a physical setup equipped with smart boards, high-quality audio-video systems, and dedicated tabs, while also accessing recorded lectures, digital notes, and online doubt support. This model ensures consistent learning, seamless continuity, and the complete Kota experience — anytime, anywhere.

CHAPTER-WISE DPPs & TESTS

Systematic chapter-wise DPPs and tests provide regular practice and timely evaluation of every topic. This approach helps students monitor progress, improve accuracy, identify and correct weak areas early, and build strong exam-oriented confidence throughout the syllabus.

FEATURES

DEDICATED MENTORSHIP

Our dedicated mentorship system provides every student with personalized academic and motivational guidance. Mentors closely track performance, study discipline, test scores, and daily progress, offering tailored strategies to improve weak areas and strengthen core concepts. With consistent check-ins, one-on-one support, and goal-oriented planning, students receive the right direction at every step of their JEE journey.

DAILY HOMEWORK MONITORING

Our daily homework monitoring system ensures that every student completes assignments on time with full accuracy. Faculty and mentors review each student's homework regularly, track progress, identify gaps, and provide immediate guidance. This discipline-driven approach helps students stay consistent, strengthen concepts, and build strong study habits every single day.

QUIZ & ACTIVITIES

PHYSICS SIKANDAR QUIZ (OFFLINE + ONLINE ACTIVITY)

We conducted the physics Sikandar Quiz, a specially designed challenge created by MB Sir himself — a worldwide competition that tested students' conceptual strength and problem-solving skills. Along with the quiz, we also organized ground activities to spread awareness and encourage maximum participation among students.

On Women's day, we launched a special awareness campaign focusing on the importance of education for girls. We also extended exclusive offers and opportunities to support and encourage girl students in their academic journey.

We regularly conduct online quizzes, trivia sessions, and live menti challenges on our YouTube channel and website. These activities help students test their knowledge, learn through fun engagement, and participate in healthy competitions with students from across the country.

COACHING SEMINARS

Our coaching seminars provide advanced exam strategies for students already preparing in institutes. We focus on improving test performance, error analysis, speed, accuracy, and Kota-Style discipline. These sessions help students refine their approach and boost their competitive ranking.

SANKALP CLASSES

INSPIRE CLASSES

SCHOOL SEMINARS

Our school seminars help students understand the right way to begin their JEE journey. We guide them on study planning, time management, and building strong basics in maths and science. These sessions motivate students, clear their doubts about competitive exams, and give them a clear roadmap for classes 9th to 12th.

ST. JUSTICE SCHOOL

SANJAY GANDHI SCHOOL

EXAM REVIEWS OF STUDENTS

We consistently collect exam reviews from our students to understand their experience, difficulty level, question patterns, and overall performance analysis.

These reviews help us improve our teaching methods and guide future aspirants more effectively.

PARENT FEEDBACK & SUPPORT - KOTA EXPERIENCE REVIEWS

We actively listen to parents' concerns to ensure transparency, clarity, and stress-free support throughout the preparation journey. Parents also share their honest experiences about the Kota environment—from student lifestyle and academic discipline to challenges and how our guidance helps their child stay motivated, focused, and safe.

STUDENT SUPPORT DURING EXAMS

With our student first – policy second approach, we ensure complete support during exam seasons. From Doubt-Solving to emotional stability, our team stays available so students never feel alone during their most crucial days.

FELICITATION OF QUIZ & COMPETITION WINNERS

We conduct regular menti quizzes, online trivia, and various student competitions, encouraging active participation and healthy academic engagement. To appreciate outstanding performers, we organize felicitation ceremonies where winners are honoured with certificates, medals, and recognition for their excellence. these acknowledgments boost student confidence and inspire them to keep learning and competing with enthusiasm.

FROM COO'S DESK

At AcadXL, our mission is to provide every student with a disciplined, supportive, and focused learning environment that brings out their true potential. We believe that education is more than teaching — it is mentorship, clarity, and consistent guidance that helps students grow with confidence.

With innovation, commitment, and a student-first approach, we continue to build pathways that lead learners toward academic excellence and personal growth. Together, with the right direction and determination, success is within reach. Make it happen.

— Lata Rai (COO, AcadXL)

ABOUT MB SIR

The visionary behind AcadXL

Mohit bhargava (MB sir) is a renowned educationist and mentor with a legacy of excellence in competitive exam preparation. An alumnus of **IIT (ISM) Dhanbad**, he has guided thousands of JEE and NEET aspirants with his unique blend of conceptual clarity, motivational guidance, and student-centric teaching.

At AcadXL, he merges traditional teaching excellence with innovative digital methods to create a platform that is student-focused, result-oriented, and deeply inspiring.

ABOUT AcadXL

At AcadXL, we blend discipline with dreams to make learning a life-changing journey. We're not just focused on completing the syllabus — we are committed to building character, structure, and consistency in every student's life. With the belief that if a student can't come to kota, we will bring kota to them, AcadXL is on a mission to deliver the excellence of kota's classrooms to every home.

Through expert faculty, structured content, and a digital-first approach, we ensure that no bright mind is left behind — no matter where they live.

AcadXL PROMISE

AcadXL's student-first promise

Your child won't just prepare for JEE or NEET...

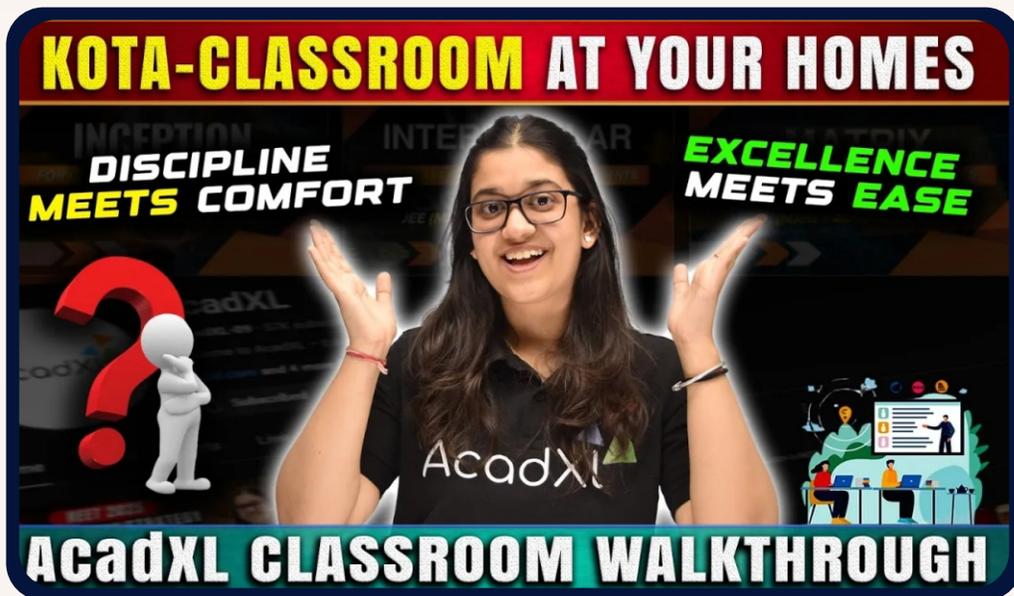

They will grow, gain confidence, and feel supported every step of the way.

AcadXL is not just a coaching institute. it is a place where:

- students feel heard
- learning feels human
- parents feel relaxed
- and results come naturally
